Minutes of the 2nd meeting of State Level Scheme Sanctioning Committee of State Water and Sanitation Mission for the Year 2019-20 held under the Chairmanship of Secretary (IPH) to the Govt. of HP on 29th January 2020.

The 2nd meeting of State Level Scheme Sanctioning Committee (SLSSC) OF State Water and Sanitation Mission was held in HP Secretariat, Shimla-2 on 29th January 2020 under the chairmanship of Secretary IPH.

List of Participants is attached as Annexure A

At the onset the Member Secretary welcomed the Chairman and Participants in the meeting. He apprised the members that the operational guidelines of Jal Jeevan Mission have been released by Government of India and that the works are now being carried out as per the JJM guidelines. Thereafter the items of the agenda were taken up for the discussion as under:

AGENDA ITEM NO. 1

Minutes of 1st meeting of SLSSC held on 6th September 2019 were put up for confirmation of committee wherein Chief Engineer Dharamshala Zone intimated that certain correction were required in the list of scheme sanctioned during 1st SLSSC meeting and the A/A & E/S accorded thereafter. The amendments sought were as under:

Sr. No	Name of Work as approved	Amount Approved in Lakh	Name of work to be substituted	Proposed Amount (Rs. In Lakhs)

The proposal of Chief Engineer Dharamshala Zone (D/Z) was accepted and the Chairman directed that proposal for issuing the amendments be moved accordingly.

AGENDA ITEM NO. 2

Proposal for Performa approval of 446 schemes was put up for approval of the SLSSC. The proposed cost of the schemes worked out to Rs. 2566.09 Crore and 166967 FHTC's were proposed to be provided under these schemes. The schemes were evaluated on the basis of the cost norms notified in the operational guidelines issued under Jal Jeevan Mission, wherein. It was observed that 45 schemes to provide 11594 FHTC's with a proposed cost of 36.21 crore are within the proposed allocation of funds under Jal Jeevan Mission, 81 schemes to provide 22609 FHTC's with a proposed cost of 160.79 Crore can also be brought under the allotment of funds as per the Jal Jeevan Mission guidelines with some cost reduction. However, 320 schemes with a proposed cost of 2369.09 crores cannot be provided full cost funding under Jal Jeevan Mission. Hence, proposal should be moved by Chief Engineers for additional funds from other sources as proposed in the operational guidelines of Jal Jeevan Mission.

After deliberating on the issue and keeping in view the targets to be achieved under Jal Jeevan Mission it was decided to accord Performa approval to 446 schemes as per **Annexure B**. The A/A & E/S to these schemes shall be accorded as per availability of funds according to the powers delegated to the competent authority.

The approval of the State Level Scheme Sanctioning Committee (SLSSC) is subject to the following conditions which shall be strictly adhered to before accord the A/A & E/S.

1. The ongoing schemes, if any, being taken under Jal Jeevan Mission should be completed and reported accordingly in the IMIS website. Before according fresh A/A&E/S under Jal Jeevan Mission the previous A/A&E/S accorded under NRDWP may be cancelled.
2. The In-village component consisting of the water supply distribution system should be prepared separately in the DPR and 5% of the cost of this component should be borne by the community to be benefited. VWSC should be formed for O&M of the in-village component.
3. The DPR under Jal Jeevan Mission shall exclude the cost of operation and maintenance charges and any other contingency
4. During projects implementation, the Physical and Financial Progress should be uploaded on Jal Jeevan Mission integrated management information system.
5. Geo-tagging of schemes (all assets) should be done as per procedure/rules laid down under Jal Jeevan Mission.
6. Water Quality Monitoring & Surveillance should be undertaken after the completion of the schemes, regular testing of water quality needs to be undertaken in line with the water quality monitoring protocol as prescribed by Department of Drinking Water and Sanitation.
7. Source Sustainability measures may be undertaken simultaneously through works like Point Recharge Structure, Rain Water Harvesting Structures by convergence with MGNREGA and IWMP (Integrated Watershed Management Programme) through State schemes.
8. It should be proposed to concomitantly execute the grey water management works with drinking water supply works separate provision for the component should be made in the estimate and funds for the same should be proposed to be provided under MGNREGA and not under Jal Jeevan Mission.
9. The technical design and other aspects of the scheme and the implementation should be carried out based on the provisions of Bureau of the Indian Standards as applicable with quality control. The design should be vetted by the competent technical authority in the State.
10. On completion the PRIs should be requested to take over in village infrastructure of the scheme for maintenance by recording the same in their asset register and GPs needs to be directed to provide funds from the grant available with them for their maintenance.

11. Provision for third party inspection of the FHTC should be made to ascertain the functionality of the scheme.

AGENDA NO.3

Approval of extension of annual contract of Outsourced staff (Block Coordinators) placed under DWSMs:

The block coordinators were appointed on outsourcing basis through NGOs in different blocks of the state. The contract period of these NGOs had expired on 31.03.2019. The provisional extension was given to these NGOs till nov.2019 as the tender for appointment of new Outsourcing Agency was in progress. Now, the work for outsourcing of Block Coordinators have been awarded to M/s Shimla Cleanways, Sahibu Niwas, New Shimla by Member Secretary (DWSM) cum Executive Engineer, Shimla -9. The process of handling over and taking over of Block Coordinators is in progress. In the meanwhile some Block Coordinators have approached Hon'ble High Court for regularization of their services and continuity of their service and the matter is pending before the Hon'ble High Court.

Therefore keeping in view the circumstances approval for extension to these NGOs is accorded till the time of deployment of Block Coordinators in each block by M/s Shimla Cleanways, Sahibu Niwas , New Shimla.

AGENDA NO. 4

Regarding Appointment of Accountant under DWSM in Bilaspur, Una, Kinnaur and Lahaul Spiti:

As per approved TOR, the Accountants who have retired from the post of Superintendent Gr-1/II of the age not more than of 65 years were to be appointed in DWSMs on contract basis (Annexure-C). Despite wide publicity for these posts by DWSMs, the post could not be filled up in these DWSMs and therefore, requests are being received from DWSMs to revise the TOR.

In order to ensure smooth functioning in DWSMs particularly in respect of maintenance for implementation of PFMS system in DWSMs, and maintenance of accounts, it is proposed that in addition to retired Superintendent Gr-1/II, retired Sr. Assistant and Clerks may also be considered for the post .The rest of the conditions of ToR shall remain as per earlier approved ToR.

The matter was discussed and it was decided that retired Sr. Assistant may also be considered for the post .The rest of the conditions of ToR shall remain as per earlier approved ToR.

AGENDA NO. 5 (Additional Items)

1. The Chief Engineer Dharamshala and Chief Engineer Shimla intimated that some of the proposals had not been included in Agenda item No. 2 as the proposals were delayed in processing from the field offices. They requested the Chairman that in principal Performa approval of these 84 No. proposals be also be kindly accorded as per **Annexure C** .The committee approved the same subject to the condition cited under Agenda Item No. 2
2. **Proposal for requirement of funds for construction of pre painted MS Sheet shed in front of existing dining room at STC, Mandi:**

The kitchen and mess block of State Training Centre, Mandi which is also a State Institute for Rural Water Supply & Sanitation have not yet been constructed due to paucity of funds in the State budget for construction of IPH State Training Centre at Dhansidhar. The participants and staff are facing a great inconvenience during rains/summer season due to insufficient dining space as only 18 persons can be adjusted at a time in the existing dining room.

Therefore, an estimate amounting to Rs.4,13,000/-only was prepared for construction of temporary shed adjoining to the dining hall.

The matter was discussed and approved against State Institute for Rural Water Supply & Sanitation under WQMS head which has a financial provision of Rs. 12.00 lakhs during current financial year.

3. Posting of one Junior Engineer in STC, Mandi:

One Junior Engineer is required to be posted at State Training Centre, Dhansidhar, Mandi for carrying out the following activities:

- 1) To look after/ supervise the outsourced works like Mess, Cleaning, up keeping and general maintenance of Training Centre Campus.
- 2) Inventory Management of T&P of Training Centre i.e. equipment, furnishing, furniture, training aids, training material. Stationery etc.
- 3) To prepare monthly Bills of outsourced works.
- 4) To coordinate with Participants and Resource persons for boarding and lodging and transportation arrangements.

- 5) To act as Resource Person for imparting training to the Grass Root Level field functionaries like, Work inspectors, fitters, Jal Rakshaks/ Pump operators etc.
- 6) To keep regular check on quality of food in mess and the workers deployed by the contractor for outsourced works.
- 7) To Assist A.E. and E.E. in all other activities of the Training Centre as per requirement.

The matter was considered that one no. Junior Engineer/Assistant Engineer be posted on secondment basis and approved by SLSSC.

4. Engagement of Consulting Firm for setting up State Water Testing Laboratory:

There is a proposal to set up a State Water Testing Laboratory at Mandi under "WQMS Activity".

The laboratory would have the capability to analyze full range of physical, chemical and microbiological parameters specific to drinking water quality and perform the duties of State Referral Institute. The lab would also have facilities for analysis of heavy metals and toxic elements using advanced techniques requiring specialized instruments.

Since no such expertise is available in the department , it is proposed to hire the services of some reputed Consulting firm having experience in this field to provide consultancy services for assisting the department to plan, design and setup the laboratory as per the specified protocol. Detailed ToR shall be framed after in principal approval by the SLSSC.

The matter was considered and approved by SLSSC

5. Proposal for New land line BSNL connection:

The office of WSSO was shifted to newly constructed Jal Shakti Bhawan, Tuttikandi, Shimla-5.As per the allocated accommodation one additional BSNL landline is required for smooth functioning of the office.

The proposal was approved by SLSSC.

The Chairman observed that the works being executed in the field should be got evaluated from an appropriate agency so as to reduce cost and improve the quality. It was decided to constitute a team under the Chairmanship of Chief Engineer (WSSO) to indicate sample checks in the field regarding the quality of work, choice of construction material, pipes, sustainability of sources etc. The Chairman directed that I&PH Department and Rural Development Department should find out ways of convergence of the grey water

management works being executed by Rural Development Department with the water supply works being executed under Jal Jeevan Mission.

Sh. O.P Gupta Director Central Water Commission suggested that the DPR should be prepared with proper cost benefit analysis and most economical solution should be worked out. The Chairman directed that the preparation of DPR's shall also be reviewed so as to bring about cost effectiveness in the proposals by the committee headed by Chief Engineer WSSO for which a proposal should be moved to the Government. He also directed that the household data under Swaach Bharat Mission should be revalidated and the households should be reflected as per the data of ration card holders.

The Chairman also stressed the need for training of staff after proper need assessment with respect to the Jal Jeevan Mission, quality of work and economy in the works. The Member Secretary assured the Chairman that the department shall strive to work as per the advice of the Chairman.

The meeting ended with vote of thanks to and from the Chairman.
