DA: As above

Engineer-in-Chief,
Jal Shakti Vibhag,
Jal Shakti Bhawan, Shimla-05.

Copy to:

1. The Secretary (JSV) to the Govt. of Himachal Pradesh Shimla-02 for information please.
2. The Chief Engineer (D&M), Jal Shakti Vibhag, Jal Shakti Bhawan, Shimla-05 for information please.
3. The Superintending Engineer (Works), Jal Shakti Vibhag, Jal Shakti Bhawan, Shimla-05 for information please.
4. The Controller (F&A), Jal Shakti Vibhag, Jal Shakti Bhawan, Shimla-05 for information please.

Engineer-in-Chief,
Jal Shakti Vibhag,
Jal Shakti Bhawan, Shimla-05.

Minutes of 1st meeting of State Level Technical Committee for the year 2023-24 held on 18.04.2023 at Jal Shakti Bhawan Shimla-05.

1st meeting of the State Level Technical Committee to deliberation upon the technical suggestions received from the officers of the department and the proposals of various Firms/ Companies for registration and approval of their products/ services was held at Jal Shakti Bhawan and through Video Conference on 18.04.2023.

At the outset, the Superintending Engineer (P&I-I) welcomed the Chairman and members to 1st meeting of SLTC for FY 2023-24.

List of Participants is as per Annexure "A" attached.

Accordingly, agenda items were taken up for discussion one by one as detailed below:

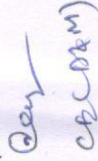

A. Internal Discussion

1. Draft guidelines for 24x7 Rural Water Supply Systems: Draft guidelines for Rural Water Supply Schemes for conversion into 24X7 water system submitted by the committee under the Chairmanship of CE(D&M) was circulated to the members of SLTC vide t/o letter No. 225-37 dated 13.04.2023 was placed before the SLTC Committee. After detailed deliberation, the Committee asked all the members to give their comments on the Draft guidelines so that the same are discussed during the 2nd meeting of SLTC to be held on 24.04.2023. Certain amendments suggested by members have been incorporated and circulated to all vide t/o letter No. 529-43 dated 20.04.2023 for comments/suggestions.

2. Modify the condition of Contactor low value of work: The matter concerns the Notification No. JSV-B (F) 7-2/2022 dated 17th February, 2023 issued by the Government of Himachal Pradesh vide which the amendments in the conditions for the contractors registered under different categories for participation in tenders were notified. These amendments were notified to ensure better opportunities to the young contractors having degrees in Engineering and also to ensure their participation in nation building. The government has notified the following measures vide the aforesaid notification:-

- I. Waiving off the condition of depositing the Earnest Money Deposits (EMD)
- I. for the first time unemployed (Bonafide Himachali) Graduate Engineers (Civil) registered under class A category,
- II. for the first time unemployed (Bonafide Himachali) Graduate Engineers (other than Civil) and Graduate Architects or Diploma holders in Civil Engineering registered under Class B category, and
- III. for the first time unemployed (Bonafide Himachali) Diploma holders in Civil Engineering or Architecture registered under Class C category.

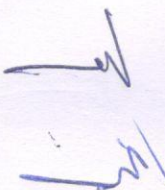

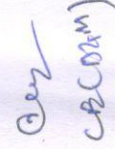

CE(D&M)

2. To provide more space to the small contractors, the government has debarred Class A contractors from participating in the tenders having value less than ₹2.00 crore.
 3. Similarly, Class B contractors have been debarred from participating in the tenders having value less than ₹50.00 lakh.
 4. However, keeping in view the escalating costs of construction materials and rise in wages, the upper limits for B, C and D Class contractor have been raised to ₹5.00 crore, ₹2.00 crore and ₹50.00 lakh respectively. Earlier these upper limits for B, C and D Class contractors were up to ₹2.00 crore, ₹80.00 lakh and ₹30.00 lakh respectively.
- After circulating the said notification to the field offices, the department has received a number of references from those contractors who were registered under category A or B and had been taking the low valued works like hand-pump, consultancy and/or lab testing works. The aforesaid decision of the government has adversely affected such contractors. These contractors have requested to keep such category of low-valued works out of the preview of said decision notified vide Notification No. JSV-B (F) 7-2/2022 dated 17th February, 2023. As such the matter was placed before the Technical Committee in its meeting held on Tuesday, the 18th April, 2023.
- The issue was discussed at length. All the committee member present in the meeting suggested that apart from installation of hand pumps, consultancy and lab testing, other works like installation of tube wells, survey & investigation, preparation of DPR etc. should also be kept out of the purview of the decision notified vide Notification No. JSV-B (F) 7-2/2022 dated February 17, 2023 and decided to send a proposal to the Government for approval accordingly.

2. Proposal for which the registration process completed and requires approval of the committee:

S. No	Subject	Address	Remarks	Comments/ Action Required to be taken
1	Empanelment of our company as approved vendor of H R Coil	M/s SAMBHV Sponge Power Pvt. Ltd., 501 to 511, Harshit Corporate, Amanaka, G E Road, Raipur (C.G.) 492010 Contact No: 0771-2222360. 2263460	During the 4 th meeting of SLTC for the FY 2022-23 held on 06.10.2022, It was decided that firm be asked to provide information regarding its empanelment/ enlistment for supply of HR Coil in other Govt. department/ agencies. The firm has submitted necessary documents as	The firm submitted few documents through email on dated 15.10.2023, However, desired information was not furnished.
